About School of Electrical Engineering, KIIT University (Deemed to be)

KIIT, Deemed to be University, formerly Kalinga Institute of Industrial Technology, is a co-educational, autonomous university located at middle heart of Temple city Bhubaneswar in the Indian state of Odisha. The University offers under-graduate and post-graduate courses in Engineering, Bio-technology, Medicine, Management, Law, Computer application, Rural management, Fashion, Film Studies, Journalism and Sculpturing. It was one of the youngest institutions to be awarded the deemed university status in India and then the University status in 2004.

The School of Electrical Engineering has been playing a vital role in producing Engineers and Scientists of highest caliber since its inception in the year 1997. At present, it offers Under Graduate, Post Graduate and Ph.D. programs in Electrical Engineering to cater to the ever challenging needs of technical excellence in all areas of Electrical Engineering such as Power Electronics and Drives, Power & Energy System and Power System Engineering. The School is having a vibrant atmosphere due to the combination of input of brilliant students, availability of outstanding faculty members and innovative research work in all areas of Electrical Engineering. The icing on the cake is the accreditation of the School by NAAC, NBA (Washington accord) Tier-I and UGC.

Objective of the Conference
